

2024 Construction Projects

2024 Street Improvements

The City of Oak Grove's annual street maintenance program improves local streets by overlaying them with bituminous pavement. The streets identified for 2024 are highlighted red (see link below).

This year's road improvements include the roads in the following neighborhoods:

1. Mill and Overlay Projects (1.5" bituminous)
 - Oak Grove Preserve 2nd Addition (Quapaw St, 203rd Ln, and 204th Ln). Work includes concrete curb removal and replacement at catch basins. Anticipated to start the week of April 29. Roadway milling is scheduled to begin the week of May 6 and paving will follow.
 - Cedar Acres (194th Ave). Roadway edge milling anticipated to start the week of April 29 with paving the following week.
2. Overlay (1.5" bituminous) - Anticipated to start the week of April 29.
 - Cedar Ares (195th Ln, Ibis St, 195th Ln, Linnett St).
 - Will Rogers Addition (195th Ln, 194th Ln, 191st Ln, Silverod St, 192nd Ln, and Orchid St).
 - Preserve Park Parking Lot.
 - Riverwoods North (190th Ln, Hopi St, 189th Ave).
 - Hillcrest Acres (Rose St, Rose Cir, 182nd Ave)

Anticipated Construction Schedule:

Action	Date
Start Construction	April 29, 2024
Anticipated Paving Completion	May 17, 2024
Contract Final Completion	September 9, 2024

Safety

Use caution around the work site. Your assistance in reminding area children to stay clear of construction operations and especially the equipment is helpful in maintaining a safe environment. We appreciate your patience and cooperation during this construction. The Contractor will be using traffic control, vehicle lighting, and other work practices to ensure the safety of everyone affected by this project. If there are any residents with special needs or who require specific accommodations, do not hesitate to give us a call.

Please SLOW DOWN and take your time.

Questions and Project Contacts:

The project team is always willing and able to answer any questions you may have, now and during the construction process. We appreciate your cooperation during construction and thank you in advance for your patience and understanding.
